## Florida Association of Partners in Education 34<sup>th</sup> Annual Conference

April 9-11, 2008 ♦ Hyatt Regency Jacksonville ♦

If you are looking to introduce your products or services to key decision makers in education, then the 2008 Florida Partners in Education Conference is for you! This year's conference is planned for April 9-11, 2008, in beautiful Jacksonville. Don't miss this opportunity to speak directly with education professionals and business partners who are interested in promoting community involvement in Florida's schools. These individuals are responsible for enhancing volunteer and business partnership programs through classroom curriculum, school safety, recognition ceremonies and special events. Held in conjunction with the Florida Department of Education's prestigious Commissioner's Business Recognition Awards, the conference brings in the most active business partners in the state.

This year's theme is "Wild About Student Achievement" and we have a spectacular conference planned with many changes that will make you wild with excitement. Take advantage of this year's date when most schools are spending down their budgets and making plans for the next school year. Don't miss this opportunity to reach over 500 potential customers at the low rate of \$250.

Enclosed is an exhibit brochure and reservation form. Please follow the instructions for payment and registration. You are invited to attend the reception on the first night. If you are interested in attending any of the other planned social events, at an extra fee, you can register at [www.flpie.net](http://www.flpie.net). Reserve early, as space is limited.

If you have any questions, please contact Karen Hanson, Exhibit Chair, at 904.390.2960, or at [hansonk@dreamsbeginhere.org](mailto:hansonk@dreamsbeginhere.org). Don't let this great opportunity escape you!
